Introduction

Beta Cleaning is a young dynamic company that was formed to assist clients with affordable cleaning services. Formed in 2009 after seeing need in the cleaning business and development to different business networks and clients, this has been an opportunity for Beta Cleaning to show what it is capable of.

The main business module of Beta Cleaning is Contract Cleaning, Once-Off Cleaning, Carpet Cleaning, Window Cleaning, Office Cleaning, Home Cleaning, Mall Cleaning, Hygiene Services and *etc.*

Beta Cleaning is a division of *Betagroup (Pty) Ltd*, re-registered in 2016 after a full conversion from a close corporation to a private company that was registered in the year 2009.

MISSION

Beta Cleaning Mission Statement is to allow all our Clients to find Innovative Solutions in the Cleaning Industry. This is only accomplished by best service deliverance which in turn allows the Clients to understand the Basics of a Clean Home and Work Place. By all this it will also allow our Clients to see the need in a Once Off Deep Cleaning that may be conducted frequently.

VISION

Beta Cleaning has set a Vision to become the one of the Premier Suppliers in the Cleaning Industry in Gauteng and the whole of South Africa. We want to be a Household Brand for our Services and our Chemicals.
