Introduction

Beta Retail Systems (BRS) is a young dynamic company that was formed to assist clients with affordable retail system solutions. Formed in 2009 after seeing need in the retail business and development to different business networks and clients, this has been an opportunity for our Retail Department to show what it is capable of.

The main business module of Beta Retail Systems is Trolley Collections and Cleaning, Store Packers and Merchandisers, Cashiers and *etc.*

Beta Retail Systems is a division of *BetaGroup (Pty) Ltd*, re-registered in 2016 after a full conversion from a close corporation to a private company that was registered in the year 2009.

MISSION

Beta Retail Systems Mission Statement is to allow all our Clients to find Innovative Solutions in the Cleaning Industry. This is only accomplished by best service deliverance which in turn allows the Clients to understand the Basics of a Clean Home and Work Place. By all this it will also allow our Clients to see the need in a Once Off Deep Cleaning that may be conducted frequently.
